

If you are graduating this semester:

1. Contact Ms. Camille Costabile about two weeks into the semester. She prepares a graduation packet with the various graduation forms as well as a checklist of what to do.
2. Apply for graduation. Note that the deadline for applying is about 3—4 weeks into the semester, so don't wait. See the Graduate School's calendar for the deadline.
3. If you are a non-thesis MS student, you must also take an exit interview. There is a deadline for this as well; see the graduation packet in #1.
